ARRIVAL OF THE UNITED STATES FLAG-SHIP SUSQUEHANNA.

The United States steamship frigate Susquehanna, Capt. Alfred Taylor commanding, arrived at this port yesterday. On her arrival at the battery the Susquehanna fired salutes in honor of the French and Spanish ships which were doing full honors to the Brazilian Government during their visit to this country. The Susquehanna also saluted the flag of Acting Rear-Admiral James Palmer of the Rhode Island, and the honor was at once acknowledged by that vessel. The Susquehanna has just returned from the coast of Brazil, where she had been acting as flag ship of the Brazilian fleet. She left New York on the 2d ult., and, after a crossing of over seven months, reached Rio Janeiro on the 2d ult. The Susquehanna remained in Rio until January last, and then was ordered to return to the United States, but owing to the difficulties existing between the Brazilian Government and the neutral powers, she was compelled to remain as long as possible on the station as possible. The war having virtually ceased, as far as the interests of American citizens were concerned, the Susquehanna again received orders to proceed on her homeward voyage, and accordingly sailed from Rio Janeiro on the 2d ult. After a short stay at Bahia the Susquehanna touched at Montevideo, Barbados, Martinique, and St. Thomas. The surgeon reports that the officers and men have enjoyed extremely good health ever since their departure from the United States. The following is a list of her crew:

Capt. Alfred Taylor, Lieut.-Commander E. W. Henry, Paymaster, A. Clark, Chief-Engineer, John Johnson, Passed Art. Surgeon, A. H. Obersteiner, Chaplain, J. D. Bissell, Lieuts. P. S. Smith, John W.
